

Video Editor

About the Role

We are looking for a creative and detail-oriented Video Editor who understands how content performs across digital platforms and can transform raw footage into engaging, high-impact videos.

Key Responsibilities

- Edit short-form content for Instagram Reels, YouTube Shorts, and LinkedIn.
- Edit long-form videos including podcasts, interviews, educational content, and brand stories.
- Create engaging hooks, transitions, subtitles, motion graphics, and visual effects.
- Repurpose content into multiple formats for different platforms.
- Collaborate with the Content and Marketing teams.
- Ensure timely delivery while maintaining high-quality editing standards.

Requirements

- 1–4 years of experience in video editing.
- Proficiency in Adobe Premiere Pro, After Effects, Final Cut Pro, or similar tools.
- Strong understanding of social media content and internet culture.
- Excellent storytelling, pacing, and audience retention skills.
- Experience with creator-led, educational, business, or podcast content is preferred.

Preferred Skills

- Knowledge of motion graphics and basic animation.
- Creative mindset with strong attention to detail.
- Ability to manage multiple projects and meet deadlines.

This role is ideal for someone who is passionate about digital content, stays updated with the latest trends, and enjoys creating videos that capture attention and drive engagement across platforms.
